

## **Naval Under Fives** **Mission Statement**

The Naval Under Fives endeavour to ensure that for each child, the time spent with us is an enjoyable, safe, happy and stimulating experience.

We aim to work in partnership with Parents/Carers and outside agencies to enable the children to reach their full potential, expressing themselves and learning from each area of the curriculum, through the EYFS (Early Years Foundation Stage).

Children are encouraged to respect and care for themselves, the children and Adults around them and to appreciate and understand the environment they live and share with others.

NUF are made up of a Board of Trustees (BoT) including a MoD representative, who are all volunteers. The BoT employ the Co-ordinator and Deputy Co-ordinator to manage the day-to-day running of the Business and Organization.

The BoT meet together 3 times a year where the Co-ordinator & Deputy give the BoT feedback on how the Organization is progressing. This also includes a full financial report of the Business. The BoT can at any time, which they do, visit the Office to check that all is well with the Organization, and this is reported back to the Trustees at the next meeting.

When the BoT's time permits they visit the Settings or help in planned fund raising or building maintenance etc., Annually at the end of September an AGM is held, which is published in the local paper two weeks prior to the meeting, where the BoT positions, or any new members are voted onto the Board. Along with any amendments to the NUF Constitution.
