

COMPLAINTS AGAINST STAFF

This procedure must be used in conjunction with the ACAS complaints procedure, available in the Policy File.

Any complaint against a Staff member should be directed, in writing, to the Naval Under Fives office. Telephone complaints will also be dealt with.

The Co-ordinator or Deputy will inform the member of Staff that the complaint has been received.

The Co-ordinator / Deputy and member of Staff will then meet to discuss the complaint and relevant issues. At this meeting, the member of Staff may invite a third person to attend as support.

The complainant will also be asked to a meeting with the Co-ordinator / Deputy to discuss the issues and outcomes.

If the accusation is admitted or found to be valid, the member of Staff will be moved to another Setting, put on a programme of retraining and observation with a senior member of Staff acting as mentor.

If the complaint is of a serious nature, the member of Staff will be required to put in writing a full report of her understanding of the reasons for the complaint.

A complaint involving serious misconduct towards Children will result in Children's Services, Ofsted and the Police being informed, and the member of Staff being placed on suspension until a final decision has been made.

Verbal complaints will also be investigated.

All paperwork relevant to complaints and investigations will be held in the Naval Under Fives office for a period of twenty (20) years and made available to future employers requesting references.
